SCHEDULING ORDER

On April 29, 2015, the Vermont Public Service Board ("Board") held a status conference in this proceeding. At the status conference, Entergy Nuclear Vermont Yankee, LLC and Entergy Nuclear Operations, Inc. (collectively, "Entergy VY" or "Petitioners"), with the support of the other participants, proposed a schedule for this proceeding. Participants at the status conference also discussed the possible addition of a site visit to the proposed schedule, as well as the date and location of the public hearing and the possibility of a second public hearing at a later date.

In reviewing the parties' scheduling proposal, the Board has concluded that a site visit would be helpful in reviewing Entergy VY's petition. In addition, the Board has identified June 4, 2015, as the date for a public hearing to be held in Vernon, Vermont. While the Board does not find that a second public hearing is necessary at this time, should a party conclude after the completion of the June 4 public hearing that a second public hearing would be warranted, they are free to move the Board to hold such a hearing.

Accordingly, we hereby adopt the following schedule for this proceeding:

May 11, 2015	Petitioners prefile amended testimony
May 27, 2015	First round of discovery on Petitioners

June 4, 2015	Site Visit and Public Hearing
